CAMERON, MILAM COUNTY, TEXAS, THURSDAY, DEC. 27, 1962

10 PAGES TODAY

Area high school seniors competing for the 1963 Alcoa Foundation Scholarship are, left to right, front row: Frankie Supak, Coupland; Jimmy Ray McGregor, Cameron; Jerry Woods, Milano, Glory Jean Krechak, Smithville; Judy Osten-

dorf, and Delores Phillips, Rockdale. Back row: Donnie Urbanovsky, Caldwell; Harmon Kelley, Cameron; Jimmy Killeen, and Clifford Rasco, Rockdale; Bob Dymke, Cameron and Ronald Keith Krueger, Thrall.

5 Wrecks; One Killed For Holiday Traffic

Joe Matula Will Retire From P O

Joe Matula, a member of the U. S. postal service in Cameron for 40 years, is retiring January 1.

Remembering the many Christmas seasons like the one just past, Matula plans to take it easy in his new role, working a little parttime after the first of the year.

He will have more time for stamp collecting, his main hobby. His collection is one of the largest in the area. And he is constantly on the lookout for new or rare stamp issues.

Joe, as he is familiarly known throughout Cameron, started out as a regular substitute when Mrs. W. T. Heffley was postmistress.

FAMILIAR FIGURE
He later became a regular dispatching clerk and worked at the post office window, where he has been a familiar figure for the past 25 years.

What is the funniest thing a man with 40 years postal experience can recall?

Joe thought a minute and recalled the man who bought some false teeth through a mail order. After getting them, Joe said, the man decided to send the teeth back.

So Joe obligingly wrapped and mailed the teeth for the man. Things have changed in the postal service, he recalled. Dispatching mail is much more complicated. Postal employees have to know 300 to 900 label cases and mail deadlines for eight to 10 railroad connections, truck and services to other towns out of Cameron.

He remembered that money orders used to be a big part of his job, particularly in the fall. But they are not as popular as the time when one man brought in an order for 27 money orders at one time.

Joe can remember when postcards cost a penny. They went to 2 cents in the early '50's, he said,

and later to 3 cents and finally to 4 cents next month.

When Joe started work in the Cameron post office, it had six on the post office staff, two city carriers and four rural carriers.

BORN IN MARAK
He was born in Marak and attended school there through the first eight grades. He served in the U. S. Army at Camp Maybrey near Austin for five months during World War I.

In 1918, he married Cora Lee Dockery. They have one daughter, Mrs. Dorothy Van Reed.

During the years, Joe has been a member of the First Methodist Church board for 20 years, secretary of the Masonic Lodge 10 years and banker or treasurer of the Woodmen of the World chapter in Cameron.

BUILDING TOTALS \$169,384 IN '62

Building permits through Wednesday in Cameron totaled \$169,384, according to a survey of city records for 1962.

Heaviest total was in new home construction with about 10 new houses starting in the last six months of the year.

Largest year in construction was in 1960 when almost a million dollars of permits were recorded. Lowest figure was about \$98,000 in 1953 in recent years.

Lubbock Man Dies In Crash

Highway Patrolmen reported one killed and a total of five wrecks in the past week with two on Christmas Eve.

Goree Griffin of Lubbock was killed Dec. 19 at 10 p. m. when his 1955 Cadillac hit an International truck driven by Doyle William Lorenz of Grand Prairie. Patrolman Durwood Kennedy said that the Cadillac went into a semi - broad side skid as it was attempting to make a right turn at the intersection east of Mileno.

The left side of the car hit the left front of the parked truck throwing the driver and his passenger

from the car. The passenger, John Aundra Moore, was taken to St. Edward's Hospital for treatment. Damage to the Cadillac was \$900 and the truck was slightly damaged but was driven away.

In an accident Saturday 7:15 p. m. a car driven by Nathan Wayne Baker of Rockdale left the roadway and rolled over on its top. The accident occurred 11.7 miles west of Rockdale.

On Sunday at 10:45 a. m. a Ford driven by Berl Starlin Trasher of Houston hit from behind a car driven by Theo Telg of Gause causing \$45 damage to the Trasher vehicle and about \$10 to the Telg car. There were no injuries.

At 10:30 p. m. on Christmas Eve Marvin Edward Rubac of Buckholts ran his car off the roadway and into a group of trees according to Gilbert Smith, investigating officer. The accident took place on a county road 6.5 miles west of Cameron. No one was injured and damage to the 1957 Pontiac was about \$225.

Damage was slight to two cars involved in a crash near Buckholts on the same day. Smith said that Albert Lee Horelica of Cameron was attempting to pass a car driven by Arthur Monoz Vega when Vega started to turn left. Damage to each car was estimated at \$50.

12 Vie For Scholarship

103

By FML

Cameron was a gay, yet quiet city during Christmastide.

The usual large number of visitors and families swelled the anticipation of Christmas, 1962, to its seasonal height.

Gaiety pervaded the atmosphere. The traditional late shopping arms filled with Yule - bright packages - a bustling from car to store and back again - these were the final moments of Christmas Monday.

But Christmas Day itself was different. Special church services preceded the hush and awe of early morning Christmas trees.

Carols heightened the meaning of church services. Voices rose huskily with the traditional hymns. Heads bowed in the reverence of

the first Christmas.

Then there was the family-tiled Christmas dinners and kids clanging toys to add to the din.

Finally, peace, not unlike the spirit of the Day, settled silently over the city.

New Year's is a different story. Festive spirits will crescendo like the bang of holiday firecrackers, then dull and alternately brighten into 1963.

Football will make its final appearance Tuesday with bowl games crowding the video waves from Miami to Pasadena.

And resolutions for the New Year will be meted out, hoping to outlive the impulse that created them. And the holiday and 1962 will be fond memories.

ALCOA CONSIDERS

12 AREA PUPILS

Three students from Cameron High School are among 12 area seniors competing for the 1963 Alcoa Foundation Scholarship. They are Bob Dymke and Jimmy Ray McGregor of Yoe High School and Harmon Watson Kelley of O. J. Thomas High School. The students' parents employed at Alcoa's Rockdale Works are Mrs. Nell Dymke, stenographer; Charles T. McGregor, Tapper - Carbon Changer, and Harmon Kelley, janitor.

The winner of the scholarship will receive a \$2500 award payable over four years of college. In order to be eligible, the student must be the son or daughter of an employee at the plant.

Capacity Crowd

Heard Christmas

Concert At Yoe

The Yoe High School band played their annual Christmas Concert for a capacity crowd Friday in the Yoe Gym.

Numbers presented by the 100 piece band under the direction of Francis Cox were Winter Wonderland, Christmas Party, Old English Christmas, O Holy Night - Cantic de Noel, Mele Kalikimaka - Merry Christmas in Hawaii, Spirit of Christmas, Spiritual Contrast - which consisted of two numbers, Just a Closer Walk With Thee and Got the Whole World in His Hands, and Yuletide Sketch.

The band members presented Cox with a gift for their appreciation for his consideration and work with them in the past year.

Little Mr. New Year may be small . . . but our wishes for your happiness and success are big . . . so are our thanks!

The Staff Of The Cameron Herald

Weather Notes

Temperatures ranged from a high of 73 to a low of 31 last week in the Cameron area. Rainfall for the area was almost 2 inches.

Here's Roger Babson's 1963 Financial Forecast

The business situation will vary with different industries, and hence with different cities. Some defense centers will boom; steel cities will still find the going tough - but better than a year ago. Considering the high level of the past ten years it will not be surprising for 1963 to show a moderate decline in business. If so it should come in the second or third quarter, with recovery in the fourth quarter, followed by a good 1964.

Disposable personal income will remain high. With increased savings deposits and little change in the cost - of - living, the public should continue to spend freely, especially if merchants maintain their advertising outlays.

Inventories will remain about the same during 1963. But government spending will increase over \$3 billion - largely on defense - and \$2 billion on new roads. Whether manufacturers will hike their expenditures for new machinery in 1963 in view of the depreciation tax credit, I would not now forecast.

All this means that business and employment for your city in 1963 will depend largely upon the attitude of its leading businessmen. If they will be optimistic and spend more on new plants, advertising, and salesmanship, we should have nothing to fear.

STOCKS AND BONDS

My father used to tell me, "It is okay, Roger, for you to make forecasts - but never put dates on them!" I forecast that the Dow-Jones Industrial Average will register lower sometime during 1963 and stocks will show an average yield of about 4 per cent. Either dividends must be increased or prices of stocks must go lower. Both cannot continue forever so poorly adjusted.

The above comment refers primarily to industrial stocks. I forecast that both the gross and net earnings of utility stocks will advance during 1963 and for some years thereafter. The utility cumulative preferred have reached a

point whereby they will closely follow interest rates as determined by the Federal Reserve Banks. The utility common stocks should slowly rise in price provided they are not unjustly limited by legislation or by state and federal regulatory commissions.

As for the railroad stocks, I generally feel bearish. A war with Cuba or a world nuclear war breaking out anywhere could cause the stocks of all our transcontinental railroads to go up sharply in price; but down they would come again. We are today in an electronic age and no longer in a railroad age. Those who desire to invest in common stocks should stick to the oils, chemicals and electronics. Even then keep in mind Newton's Law of Action and Reaction which will always determine the time to buy and sell common stocks.

Regarding bonds I am not pessimistic for 1963. Certainly, the non - taxable bonds will sell higher during 1963. Also, good short-term corporation and government bonds will be safest to hold. Long-term corporation and government bonds may sell for less sometime during 1963. Long - term bond prices vary with interest rates and the probability of inflation.

BUILDING AND REAL ESTATE

There may be some decline in residential building in 1963, and shopping centers in many suburban developments may remain at a standstill for a while. However, so much money is piling up in savings banks which must be invested, it seems that by 1964 many more new homes will be built. In this connection, when purchasing a house or business property, be sure to study the land, which usually improves in price while the value of the building declines.

When constructing new frame houses, build either single homes or houses with only two apartments on ground floor. There will be considerable new building of brick apartment houses, which should

keep filled so long as they are well maintained. Old apartments and old houses will decline in price during 1963.

The less attractive outlook for home building generally does not apply to government or public buildings, or to all commercial buildings. The real estate developers, however, must spend more on advertising in 1963 to meet the growing competition.

RETAIL TRADE

Naturally, there will be a seasonal lull in retail trade after Christmas and the mark-downs which follow January 1. That will be the time to look for bargains. Scan the advertisements well. This especially applies to merchandise that depends more or less on styles, such as dresses, coats, hats, and shoes. Buy good - quality items that can be passed down to the younger children. Over all, I expect 1963 to see a somewhat higher level of retail trade than has prevailed in 1962.

Purchases made at real mark-downs could be good cause for opening a charge account. But be very careful to build up a name for good credit. You can arrange to pay some in 30 days, some in 60 days, and some at 90 days; but be sure to pay a little before your account is due. Good credit at a good retail store will help you and your husband (or wife) when you may need this credit later to buy real estate or start a business of your own.

CUBAN OUTLOOK

I forecast that the Cuban problem will not be settled in 1963. It may extend until after the 1964 presidential elections. The Russians have removed their missile installations and bombs from Cuba, in accordance with President Kennedy's demands. In return, Mr. Khrushchev will undoubtedly want some concession in Berlin, or in Turkey - which now bottles up Russia in the winter due to Turkey's control of the Dardanelles. Khrushchev must placate his peo-

ple at home by improving rather than reducing their standards of living. I saw this very clearly when I was in Moscow. He helped Castro only so that he would have something to trade with the United States, either in connection with Berlin or with our bases which we now have in Europe.

Khrushchev expected to later withdraw from Cuba when he first decided to help Castro. He knew Russia could continue to use Cuba as a base for Russian submarines. Now both Khrushchev and Castro are looking to save face at home.

Some think the Cuban fracas will make President Kennedy tougher with labor here in the United States, but I disagree. Labor leaders may be more reasonable in their demands, but they will continue to have friends at the White House.

LABOR AND THE PROFIT MARGIN

Readers should realize that the steel workers can reopen their wage contract after May 1, 1963.

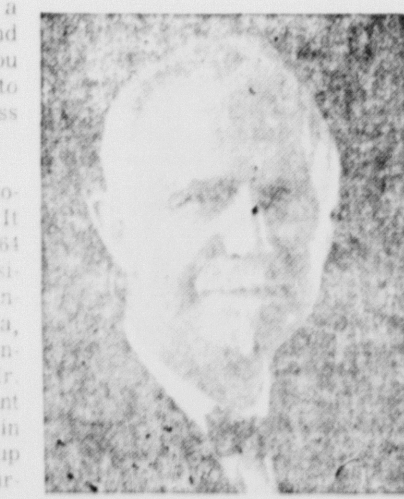

The settlement of this contract will be very likely to influence other labor disputes, depending largely on international conditions.

I feel that our country is becoming "immune" to crises, believing that the cold war will continue for years to come. There however, will be no nuclear war within our generation; and no international war of any kind in 1963.

Labor should begin to realize in 1963 that wages finally depend upon the employer's margin of profit. The year 1962 has seen many employers close down because of their slight margin. Small businessmen - both manufacturers and retailers - must have a larger margin of profit in order to exist. There are too many mergers into bigger units and too many failures of worthy employers. Labor leaders are largely responsible for this unfortunate development and are slowly pricing themselves out of business. Sooner or later this can result in much unemployment. A tax cut will not solve this difficulty.

COMMODITY PRICES

About The Author

Roger W. Babson

Roger W. Babson has been making accurate yearly forecasts in business and finance for 20 years.

The Herald presents his 50-point analysis of 1963's prospects for the third consecutive year.

The average for Babson's Business and Financial Forecast during the past 22 years has been 89 per cent correct, ranging from a low 79 per cent in 1941 to a high percentage of accuracy of 95 per cent in 1946.

A graduate of Massachusetts Institute of Technology, Babson writes a weekly forecast for 4-6 newspapers and 20,000 corporations and estates. A staff of experts conducts the research work.

Nineteen - sixty - three will see many basic commodities sell for lower prices. Despite domestic production cutbacks for many raw materials, world supplies will continue their uptrend. These surpluses in world markets will place additional downward pressure on commodity prices in the U. S. There will be exceptions in hybrid corn, Idaho seed potatoes and other selected crops. Much depends upon the weather and the ability to hold over surpluses.

Prices of peaches, apples, citrus and other fruits depend principally upon the weather. Improvements in canning, freezing, and storing have been greatly advanced while the big supermarkets have been beneficial in stabilizing prices. The hope of the fruit growers rests in co - operative advertisements in newspapers and other media.

Certain basic chemicals will surely decline in price due to overproduction and competition from imports. The U. S. Justice Department claims to be working for consumers in its fights with many companies such as the dairy concerns, but in the end supply and demand will determine the result and not legislation or court decisions.

TAXES AND INFLATION

Before the Kennedy Administration retires, I forecast that we will have either more taxes or more income in 1963. The stock market may discount the expected inflation by temporarily continuing above 600 on the Dow - Jones Industrial Average. The November elections indicate that the voters want a "welfare state" and I believe this means more inflation rather than more taxes.

The old saying, "We cannot have our cake and eat it too," is certainly true today. The elections referred to above indicate that the majority of voters really believe they can have all these temporal benefits such as medical care for the aged, medical and hospital pay

ments, more social security, etc., without having to pay the bill either through increased taxes or through inflation.

With all that is promised to young people in the form of free education, college scholarships, etc., in addition to the above mentioned help, this means that the employed people, from ages 25 to 65, must carry the entire burden. Sometime they will rebel, but it will not be in 1963 although it might come at the next presidential election. Certainly the enactment of a "real" all-inclusive tax cut is no sure thing. It may look good to the "working man" but not to investors or employers.

THE UNITED STATES DOLLAR AND GOLD

The purchasing power of our dollar will gradually be less, but this statement applies also to the currency of all countries. If our dollar declines in value it will be the same for every nation. If we devalue the dollar or temporarily look prosperous by phony book - keeping, the other nations will gradually follow suit and we will all wind up where we started.

The dollar will not be devalued in 1963, although the Wall Street and Lombard Street brokers will put out propaganda to the contrary. Now, a final word with regard to gold. The United States will continue to lose gold on balance during 1963. The only way to prevent it in 1963 is for us to export more goods and import less. This would require certain sacrifice on the part of our people.

Since my trip to Africa, I have concluded that the answer is in producing more gold rather than leaving it underground. If gold had a free market, its production would increase naturally and it would then represent one of the safest and most profitable investments available today. Another one may be uranium oxide.

Of course, large quantities of gold may be found on the surface

of the moon - which brings me to my final subject, which I hope readers will take seriously.

GOING TO THE MOON

Nobody will reach the moon in 1963 or in 1964, but you will see more and more about it in the newspapers during 1964 - or 1965. Do not think that the United States will be the only country preparing for this trip. Russia, England, France, Germany and possibly China are preparing today to go to the moon. With labor getting 15 cents for a twelve - hour day in China and with booster engines purchasable abroad, China may be the first to get to the moon. China does not need to be a member of the United Nations in order to send a rocket and three men to the moon and return. China's trip to the moon may be financed by foreign capital. China will win the territory it wants in India and ultimately get Burma.

Buying of "going to the moon" stock may become a very active speculation. The original boosters will be paid for by some government, but their operation will be left for profit. The situation may compare with our great "gold rush" in 1849. However, it will not be limited to gold, but will also include diamonds, platinum and perhaps other elements which are not yet in our chemistry books. My great - grandparents were all seafaring men taking people from New England down the East Coast of South America around the Horn and up the Pacific Coast - a trip of two months. The astronauts say that they can make the trip to the moon easily in less than four days. One final thought: If the Kennedy Administration gets into too much of a jam between taxes and inflation, the promotion of trips to the moon may pull them out of their troubles. By enticing private capital which is now in need of some attractive speculative investments, this might even bring about another big stock market boom in the Late Sixties.

Mrs. Grady Nathan Franklin

Boecker, Franklin Vows Read In Temple

The First Lutheran Church was the setting for the wedding of Miss Doris LaNelle Boecker and Grady Nathan Franklin at 7:30 p. m. Saturday.

The bride is the daughter of Mrs. W. F. Boecker and the late Mr. Boecker and the bridegroom is the son of Mr. and Mrs. G. F. Franklin of Temple.

Providing traditional wedding music were Hugh Ely, organist and Sam L. Farrow Jr., soloist. Reading the double ring vows was Pastor James B. Essinger.

Forming the background for the candlelight ceremony were twin brass baskets on either side of the altar holding white gladioli flanked by seven-branched candelabra entwined with greenery holding white tapers. Twin baskets of white gladioli completed the decorations.

Given in marriage by her brother, Willie Ray Boecker of Waco, the bride wore a gown of white silk peau de soie, designed with a rounded neckline accented with Alencon lace and seed pearls, and fitted long sleeves tapered to petal points over her hands. The floor-length skirt, accented with lace appliques and seed pearls, swept into a chapel length train. The gown was designed and made by the bride's mother.

Her crown of pearls held her fingertip veil of illusion. She carried

Mrs. Camp Gives Tea Saturday For Constance Herbert

Mrs. Emory B. Camp honored Miss Constance Ann Herbert at a tea Saturday afternoon in the Camp home. Miss Herbert is the bride-elect of Emory C. Camp.

Mrs. S. P. Peoples and Marion Thomas welcomed guests at the door. In the receiving line were Mrs. Camp, the honoree, Mrs. Katherine K. Herbert, mother of the honoree and Mrs. Jim Johnston.

A white net Christmas cloth covered the tea table which was decorated with a large white snowball decorated with gold beads and ornaments. White tapers in Dresden candleholders flanked the centerpiece. A miniature gold and white Christmas tree decorated the buffet.

Mrs. Carl Hill and Mrs. Robert Ellett assisted at the tea table. Other members of the houseparty included Miss Mary Kestenberg, Mrs. William Dase, Mrs. E. A. Camp, Mrs. Mary Lawrence, Mrs. Roy Law, Mrs. J. E. Johnston and Mrs. Dewey McElwath.

B&PW Club Meets In Rosebud For Christmas Party

The Business and Professional Women's Club met in Rosebud for their annual Christmas Party and exchange of gifts.

Mrs. Loretta Brock presented a short Christmas story, "O Ye Jigs & Juleps," a collection of essays written by Virginia Cary Hudson.

A turkey dinner was served to 15 members and two guests, Miss Beth Brock and Mrs. Corine Strickland.

The next meeting will be January 7 at 7:30 p. m. with Mrs. Julia Brown.

Burlington — Heugatters Visit Relatives Here Over Holidays

By Mrs. George Logan

Mr. and Mrs. Richard Heugatter of Houston visited relatives here and at Rosebud last week.

Mr. and Mrs. M. D. Swanzy have had word that they have a new granddaughter, Marcia Jean, 7 lbs. and 12 ozs. in Houston in the home of Mr. and Mrs. Robert Lee Schuetz, Tuesday, Dec. 18. The Schuetz family are moving in January to Waco where he will be employed.

A Christmas dinner by quite a few relatives was enjoyed Sunday in Rosebud in the home of Mr. and Mrs. M. D. Swanzy.

Mr. and Mrs. Thomas Stoenner and family of Irving and Miss Willie Mae Stoenner of Temple and Mr. Fred Olenbusch of Okla. were holiday visitors in the home of Mr. and Mrs. Will Stoenner.

Mrs. Margaret McAtee left Dec. 20 for Houston and LaPorte to spend Christmas with her children.

Mr. and Mrs. Braun and family of Temple spent Sunday with their brother Mrs. Margaret McAtee in Burlington.

Mr. and Mrs. Philip Ermis and family of Dallas are spending Christmas here with their parents Mr. and Mrs. Phil Krause.

Guests for Sunday dinner at the home of Mr. and Mrs. George Barkmeyer were Misses Ruth and Georgia Barkmeyer of Denton, Mr. and Mrs. Herman Barkmeyer of Temple, Raymond Fabianer of Rosebud, Raymond Barkmeyer of Ben Arnold, David Barkmeyer of College Station and Miss Jo Carol of Rosebud.

Joe Geiser of Lubbock arrived home here Saturday where he will spend Christmas with relatives.

David Krause of A & M College spent Christmas here with home folks.

Mr. and Mrs. Thomas Wilcoxon and family of Dallas came Friday to the home of their parents Mr. and Mrs. A. E. Hensel where they are spending Christmas holidays.

Mr. and Mrs. Rudy Wunsch and family of Barclay, Mr. and Mrs. Elgin Hensel and family of Rosebud and Mr. and Mrs. Leon Hensel and family of Waco had Christmas dinner here Sunday with Mr. and Mrs. A. E. Hensel.

Mr. and Mrs. Roy Schonhoef visited his father Joe Schonhoef at his home at Barclay Sunday.

Mr. and Mrs. Ray Schonhoef visited Mr. and Mrs. Charlie Kleypas at Westphalia recently.

Mr. and Mrs. Le Roy Chellett and family of Alberton called Sunday for a visit to relatives here and at Clarkston.

Mr. and Mrs. J. N. Bowen of Temple were guests of Mr. and Mrs. Ray Schonhoef here last week.

Mr. and Mrs. Mack McGunnes of Hitchcock visited relatives here last week.

a cascade bouquet of white carnations centered with a white Cattleya orchid atop a white satin-covered Bible. Her only jewelry was a pearl pendant, a gift of the bridegroom.

Miss Barbara Lewellen of Temple was maid of honor. Bridesmaids were Miss Margie Conley of Cameron, Miss Kathy Engle of Temple, and Miss Barbara Pimpf of Seguin, cousin of the bride.

They wore identical street-length dresses of white embossed peau de soie fashioned with round necklines, short cap sleeves, and red silk organza overskirts. Their hairpieces were circled veils of white tulle topped with red silk organza roses. Matching red satin pumps and short white gloves completed their ensembles. They carried cascade bouquets of red carnations with white satin streamers.

Susan Gayle Krupicka of Robinson, niece of the bride, was junior bridesmaid. She wore a floor-length dress designed identically to those of the other attendants. Each of the attendants wore a pearl pendant necklace, a gift of the bride.

Jimmie Franklin of Temple, brother of the bridegroom, was best man. Groomsmen were David Barkmeyer of College Station, cousin of the bride, Karl Trappe of San Antonio, cousin of the bridegroom and Bobby Hargrove of Temple, cousin of the bridegroom.

Charles Wayne Boecker, of Waco, nephew of the bride, was junior groomsmen. Ushers were Lee Roy Franklin of Bryon, cousin of the bridegroom, Don Obermiller of Copperas Cove, Glenn Fischer and Calvin Rachui of Rogers.

After the ceremony a reception was held in the fellowship hall of the church. The bride's table was laid with a floor-length cloth of ruffled white net over red and centered with the bride's and attendant's bouquets, flanked by Candelabra holding white tapers. The table held the three-tiered cake and the crystal punch bowl.

Included in the house party were Mrs. Robert Krupicka of Robinson, sister of the bride and Mrs. Calvin Rachui of Rogers, who served the punch. Mrs. Willie Ray Boecker of Waco and Mrs. Don Obermiller of Copperas Cove served the cake. Mrs. Daniel Kuban of Temple registered the guests. Brenda and Linda Trappe of San Antonio were assisted by Susan Gayle Krupicka in distributing the rice bags.

For the wedding trip the bride chose a red wool suit with black accessories. She wore the white orchid from the bridal bouquet.

The couple will make their home at 1114 S. 2nd St. in Temple.

The bride is a 1960 graduate of Temple High School and is employed in Temple. The bridegroom is a 1960 graduate of Rogers High School and is attending Temple Junior College. He is also employed in Temple.

The bride-room's parents, Mr. and Mrs. G. F. Franklin, were hosts for the rehearsal dinner for the bridal party Friday night at Kossel's Restaurant. The bride's chosen colors of red and white were carried out in the decorations. The bride and bridegroom presented gifts to the members of the wedding party and to each other.

Dr. and Mrs. John C. Russell

Mary McGowan Weds Dr. John Russell Here

Candlelight nuptials united Miss Mary McGowan and Dr. John C. Russell in marriage Saturday evening, December 15, in the First Baptist Church of Cameron.

Personals

Mr. and Mrs. Clinton W. Breeding and daughter Sarah visited in the home of Mrs. Dick Batte this week.

Miss Jane Henderson of Washington D. C. visited her parents, Mr. and Mrs. John Henderson and her brother and family Mr. and Mrs. John Henderson Jr.

Mr. and Mrs. Jerry B. Schiller and Marcia and Mr. and Mrs. Littleton Barrett visited in the home of Mr. and Mrs. Joe Krall in Buckholts Sunday. Other guests in the Krall home were Mr. and Mrs. George Schiller of San Antonio.

Mrs. Joe Hickman and Mrs. Frances Cox of Cameron were visitors at the Public School here last week.

Parents of the newlyweds are Mr. and Mrs. John F. McGowan of Fonda, Iowa, and Mr. and Mrs. Aubrey F. Russell. The father of the groom, pastor of the First Baptist Church, performed the ceremony.

Miss Ann Jonson of Austin was the maid of honor. J. J. Petrey of Fort Worth was best man.

Mrs. Russell graduated from Briar Cliff College, Sioux City, Iowa. She is a member of Alpha Psi Omega and Sigma Tau Delta.

The groom is a graduate of Yoe High School, Baylor University and Baylor School of Medicine. He is interning at Jefferson Davis Hospital in Houston. He is a member of Alpha Omega Alpha and Phi Beta Pi.

Following a wedding trip they are at home in Houston.

Methodist Class Has Dinner, Caroling Party

The Couples Class of the First Methodist Church entertained with a Christmas progressive dinner and caroling party Tuesday evening.

The party began at the home of Mr. and Mrs. James M. Wiggs with the entire's. Life sized caroling angels adorned the facade of the two story home, setting the theme "Christmas is Angels". Inside the home, the motif of angels was repeated throughout the home with all colors and decorations tying in with the decor of the Wiggs' home.

An original hand painted angel in tones of blue and lilac over the mantle, created by Mrs. Wiggs, was a focal point. Refreshments of appetizers were served from the dining table Mrs. Don Humble poured punch.

Between each course the party catered at the homes of various senior citizens, led by Mr. Humble and Mrs. Dana Monroe.

A salad course was served at the home of Dr. and Mrs. E. O. Smith. Hand painted panels of the three kings bearing gifts to the Christ Child flanked the entrance setting the theme "Christmas is Three Kings."

Inside the Smith's home an old world atmosphere was carried out. A hand tooled copper picture of three kings also created by the hostess, was on the wall. The Christmas tree, in blue and turquoise lights, completed the air of magic enchantment as Christmas music was played in the background.

The dining table was centered by three modeled figurines of the three kings kneeling on draped velvet. The guests served themselves to the buffet repast of moulded congealed Christmas tree salad together with hot cheese bits.

The main course was served at the Dana Kestenberg home where "Christmas Is Giving" was portrayed by a giant jolly old St. Nick at the entrance.

The living room was decorated the colorful, traditional Christmas

decorations together with a tree. The dining room table was complete with baked turkey and dressing with all the trimmings.

A small jewel casket with a Christmas Bible verse was given to each guest.

The dessert was served in the Dana Monroe home where "Christmas Is a Birthday" was the theme.

Lighted hurricane lamps were placed in the yard. The dining table was centered with a white birthday cake bearing one candle. A carved creche formed the focal point of creche as assorted slices of cake were served by Mrs. Rob-

ert Clark and spiced punch was served by Mrs. Jesse Kirk.

The after dinner coffee and nuts were served in the home of Mr. and Mrs. Hilliard Thomas. "Christmas is Music" was the theme as strains of Christmas music greeted the guests. A large green holly and red berry wreath hung on the wall at the entrance.

Red carnation arrangements and caroling angels were at various focal points. On the coffee table an arrangement of carnations and caroling angels in a crystal epergne emphasized the chosen theme.

Mrs. Gus Evans presided at the coffee service and Mrs. Humble presided at the hot chocolate service.

After coffee, Eldon Bates, class president, presented Mrs. C. A. West, class teacher, with a hand crafted glass bowl in appreciation of her services as teacher.

The party concluded with the singing of Christmas carols.

\$55,000

...that's TP&L's daily tax bill

For each day of this year, Texas Power & Light Company's tax bill has amounted to approximately \$55,000... more than \$20 million for the year.

These sums represent more than 26 cents of every dollar of the Company's revenue income.

In presenting these facts we call particular attention to these points:

First, that TP&L, as a tax-paying business, is supporting local, state and federal budgets... helping to pay the costs of educating our children, building and maintaining streets and highways and keeping our national defense strong.

Second, that, as a tax-paying, free-enterprise business, TP&L raises its needs for dollars to cover expansion and growth.

Mrs. Ray Hosts Dinner Guests For Christmas

Mrs. C. J. Ray and daughter Verna had as their guests for Christmas Dinner Sunday her daughter Mrs. Ray Neaterland and daughter Dianne and Mrs. Ollie German of Houston and her granddaughters, Mr. and Mrs. G. C. Barnes and children Guinn and Nelson of Beaumont and Mr. and Mrs. Joe Palasota and two children of Bryan and her sister Mrs. Estelle Wadsworth of Rockdale and daughter Mr. and Mrs. D. Haisler of Houston and another daughter Mr. and Mrs. Charles Gustin of Woodville.

Mr. and Mrs. Bobbie Martin and children of Brownwood are here for the Christmas holidays with her parents Mr. and Mrs. Jim Swanzey.

Mr. and Mrs. Robinson left Sunday for Temple where she will spend the Christmas holidays in the home of her daughters Mr. and Mrs. Arthur Moore and Mr. and Mrs. Howard Manley.

Visiting in the home of Mrs. Hester Baggett Sunday were her son Mr. and Mrs. Joe T. Baggett and sons Joe Edd and Billy of Houston.

Mr. and Mrs. Clarence Sims of Copperas Cove visited over the weekend in the home of their parents Mr. and Mrs. L. E. Ferguson and Mr. and Mrs. Charlie Sims.

Eugene Morgan of Bishop is here to spend the holidays with his parents Mr. and Mrs. Zeff Morgan and family.

Miss Carol Leatherwood who is attending school in Belton is home spending the Christmas holidays in the home of her mother Mrs. Beatrice Leatherwood and family.

Mr. and Mrs. Ed Debeau left Wednesday for Tennessee where they will spend the Christmas holidays with their children.

Miss Carolyn Yoakum who is attending school in Huntsville is home for the Christmas holidays with her parents Mr. and Mrs. John D. Yoakum and family.

Mr. and Mrs. Clyde Westbrook of Irving was visiting over the weekend in the home of his mother Mrs. T. C. Westbrook.

L. E. Love who has been a surgical patient in the Santa Fe Hospital in Temple is home for the Christmas holidays he will return to the hospital after Christmas for more surgery.

Rev. and Mrs. Richard Lockhart and Laurie Ann are spending the Christmas holidays with his parents Rev. and Mrs. John Lockhart in Houston.

Clarkson

Mrs. Dodd Visits In Maysfield

By Mrs. J. A. Blasienz
Mrs. V. D. Dodd was a guest of Mrs. Belle Tyson of Maysfield last Sunday.

Mrs. Gorman Queen visited in Arlington the past week with Mr. and Mrs. Johnny Ludwig and daughters.

Mr. and Mrs. Sandy Peyton of Waco were recent guests of her parents Mr. and Mrs. John Wimberly.

Mr. and Mrs. Archie Wilson and Suzanne of Bryan visited her father J. A. Blasienz in Rosebud Thursday.

Miss Annette Dodd is home from Baylor University to spend the holiday with her parents Mr. and Mrs. George Dodd, Glenn, Lonnie, Ricky and Karen.

Mr. and Mrs. Charles Burnett of Bryan have been visiting relatives here and at Jones Prairie.

Guests of Mr. and Mrs. George Dodd and family Sunday were Mr. and Mrs. M. H. Boehne of Waco, Mr. and Mrs. Manual Behne and family of Garland and Jackie McCallum of Waco.

Guests of Mr. and Mrs. V. W. Hauk and children Mrs. Joe Hauk and Paul Sunday for a pre-Christmas dinner were Mr. and Mrs. T. W. Garrett and Mr. and Mrs. Pete Garrett and Sharon of Bryan, Mrs. Sallie Garner of Cameron, Mr. and Mrs. Johnny Joe Hauk and children of New Braunfels, Mr. and Mrs. Jimmy Hawk of Buckholts, Mrs. Frank Ocker and Robert of Rosebud and Mrs. J. A. Blasienz, Mr. and Mrs. Billy Hauk and children of Bryan were visitors in the afternoon.

Mr. and Mrs. Alvin Dodd and sons of Walkers Creek joined by his mother Mrs. V. D. Dodd spent the weekend at Ft. Worth with relatives.

Guests of Mr. and Mrs. Louis Skala and Lillie Sunday night for a turkey dinner were Mr. and Mrs. Billy Ernst and David and Mrs. Henry Ernst of Barclay, Mr. and Mrs. Hubert Skala and Kelvin, Mr. and Mrs. Bill Harrison and Billy Jack and Mrs. J. A. Blasienz.

Among the young couples in Cameron for Christmas are Mr. and Mrs. Bill Dase of New Mexico who are visiting her parents, Mr. and Mrs. Ray Lester, and Lt. and Mrs. Carl Hill and children of Florida who are visiting her parents Mr. and Mrs. Herbert Colburn and his parents, Mr. and Mrs. H. C. Hill.

County Agents Notes...

Changes Noted In Income Tax

By J. D. Moore
Milam County Agent

During the last session of Congress important legislation relating to income tax payments was passed. Among the changes were depreciation and tax credit on certain types of assets used in farm and ranch operations as well as other businesses.

The investment credit provision is a tax credit of 7 per cent, computed on the purchase of investment in depreciable, personal property during 1962 and thereafter. Livestock, including race horses, are excluded from the list of eligible items. The credit is given only for the tax year in which the business asset is acquired and includes such items as tractors, combines, trucks, cotton harvesters and new fences.

Here is an example of how the investment credit provision works. Assume a tractor is purchased in Nov. 1962, for \$5,000 with no trade-in. The useful life of the asset determines the amount of tax credit allowed. If the tractor is set up on a life of 8 years, a full 7 per cent of the purchase price of \$350 is credited on the tax due from the taxpayer for 1962 business operations. If the asset has a determined life of 5 years, only a third of this amount is allowed as a tax credit. Assets having a 6 or 7 year life entitles the purchaser to 2-3 of the \$350 tax credit.

Used equipment items get the tax credit, too, but are reported separate from new assets. In case of 'trade-ins' the portion of the purchase price eligible for tax credit is composed differently on new and used equipment.

Economist Takes A Look At Ag. Prospects

COLLEGE STATION — The outlook for the year ahead indicates relatively small changes in farm product prices, production and marketings, says John McHaney, extension economist. Total net income of farm operators is expected to be near the levels of the past two years. The decline will continue, he adds, in both farm population and farm numbers. Thus, the average per capita income of farm people from all sources and per farm income, at a record high in 1962, will continue to rise in 1963.

Present indications point to a small increase in farm output compared with the past three years but will depend upon growing conditions and the impact of 1963 programs dealing with acreage and production, the economist says. Livestock production is expected to continue upward but crop output is expected to change very little from levels of the past two years.

A gradually expanding domestic

market absorbed a record quantity of farm products in 1962 and is expected to continue in the year ahead. The high level of agricultural exports is expected to be maintained but the long-range future is clouded by the developing policies of the European Common Market, McHaney says.

As for prices, McHaney sees little change in these for crops but the increase in livestock plus a relatively stable domestic demand could result in slightly lower prices. The prices paid for production items by farmers is expected to continue their steady rise and the cost-price squeeze will continue, he adds.

Total farm assets in the nation on January 1, 1962 were up 17.5 billion from a year earlier and \$4.1 billion from 10 years ago. They increased three percent during the past year, due primarily to the further increase in land prices. Farmer equities have gradually declined from \$91 per \$100 of total assets in 1952 to \$87 per \$100 of total assets in 1962, and \$86 on January 1, 1963. The total debt owed by farmers and ranchmen on January 1, 1963 will be up about six percent from a year earlier, the economist reports.

Joslin Funeral

Rites Held Wed.

Mrs. Desdemona E. Joslin, 87, of San Antonio and a former resident of Cameron, died Sunday in San Antonio. Services were Wednesday at 10 a. m. Grace Presbyterian Church in San Antonio.

Survivors include one son, J. Robert Joslin, San Antonio, two daughters, Mrs. A. E. Graland, San Antonio and Mrs. Paul G. Silber, Sr., San Antonio. Also two grandsons Paul G. Silber, Jr., San Antonio and Dr. R. Silber of Austin and seven great grandchildren.

The Girl Scouts of the USA was founded in 1912.

During the next several years, the outlook is for more competition among areas and producers; more commercialization and vertical integration in agriculture and more stabilization in farm production. This will depend, however, on a national and international conditions, new technology and government.

In State Finals

Jacksboro Drops Rockdale 52-0

Jacksboro proved that the northern division was the stronger Class AA football section as they ran over the Rockdale Tigers 52-0 in the largest winning margin in a state finals-football game since the Interscholastic League was formed.

Some 9,500 fans watched the touchdown parade in Arlington Friday night.

Rockdale, who had fought for every game and won them through the passing arm of QB Dickie Summers, tried 24 passes and completed nine of them for 98 yards. But the stiff Jacksboro defense intercepted six of the aerial bombs that had been Rockdale's life savers during the regular season and during the playoffs.

The Jacksboro ground offense was worse than Scrooge at Christmas time as the Milam Countians came out with a minus five yards rushing. And they picked up only five first downs.

It was second team all - state quarterback Steve Wheelers that was the big gun for Jacksboro as he scored three touchdowns in person, passed for three more, passed for three extra points and ran one bonus try myself to cap a sparkling high school career.

Jacksboro started off with only eight points in the first period but on the first play of the second quarter all - state halfback Robert Leach of Jacksboro took a Rockdale punt on his nine and moved behind the wall of blockers the efficient Jacksboro team set up and raced for the touchdown. And this started the scrooping barrage as the Rockdale team trailed 28-0 at half-time.

After the halftime the future state champions came back to score 16 in the third quarter and eight in

the last stanza to take the game 52-0.

But the Rockdale team is the younger team as they have seven starting seniors and ten seniors on the team. Jacksboro has eight starters with seventeen seniors on the squad. Next year should be a good one for Milam County's Tigers.

Tips For Outdoorsmen

IF DUCKS FLARE AWAY

Ducks that flare in alarm from big, solid blinds will readily come to a bit of brush or a scattering of loose grass that hardly fuzes a gunner's outline.

Just be sure to build your spare blind with materials you gather on the spot.

REPLACE LEATHER DOG COLLAR

Many a good hunting dog has been choked to death by a leather or chain collar. This can easily be avoided.

Just attach the dog's identification plate to a half - inch wide elastic band collar.

Then, should the pooch hand up on barbed wire, trash or other impediment, he can, if necessary, slip out of his collar and escape strangulation.

COAT HUNTING KNIFE DISCS

Leather discs on hunting knives are apt to work loose with hard use.

Should this happen to your knife, apply a coating of waterproof boot dressing at once. Dressing tightens loose discs and makes leather handle forever resistant to sweat and water.

TIP FOR RELOAD

Today, more and more gun enthusiasts, hunters and trap - shooters are loading and reloading their own ammunition. Some even cast their own rifle bullets.

If you are one of the latter breed, you no doubt have had trouble with impurities in your lead. To prevent this, next time you melt up lead, put a small piece of pure beeswax in the melting pot.

Wax causes impurities to rise to the top where they can be easily removed.

DON'T OVERFEED HUNTING DOG

A hunting dog whose ribs are showing like corrugations on a washboard is not being abused. He is being kept in tip - top hunting form.

Overfeeding a dog can cause shortwindedness, fatigue, even heart failure in the field.

Never overfeed your dog. He, of course, takes more food during hunting season than he does at other times because he burns up more. But watch his ribs.

When his ribs start to smooth over with flesh, cut down on his food.

BIRTHS

CROUCH BABY

Mr. and Mrs. Alton Crouch of Cameron are the parents of a baby boy, born Dec. 18, weighing 6 lbs., 13 ozs. and was named Alton Lee at Newton Memorial Hospital.

CHRISTMAS BABY

Mr. and Mrs. Leon McGoldrick of Cameron are the proud parents of a baby boy born Christmas Day at 3:25 a. m. He weighed 7 lbs. 12 ozs and was named Larry Wayne

Doskocil, Schattle Named To 19AA All-District Team

Amos Doskocil and Eugene Schattle were named to the 19AA All-District football team released this week. Doskocil was named to the offensive team and Schattle to the defensive team.

State finalist Rockdale and Caldwell placed three men each on the offensive team. Caldwell placed four on the defensive team and Rockdale placed three.

Cameron placed nine players on the honorable mention list. They are:

Bobby Jones, senior, 150, guard; Craig Wallace, junior, 150, back; Merlin Lester, junior, 155, end; R. L. Mikulec, junior, 155, guard; Bob Dymke, senior, 170, center; Mack McKinney, freshman, 140, quarterback; Joe Mayer, senior, 145, back; Mike Kikula, senior, 145, back; and Larry Plenti, junior, 150, back.

Here is the 1962 - All - District teams for 19AA.

OFFENSE
ENDS — David Harvel, senior, 165, A & M Consolidated; Ronnie Reed, senior, 160, Hearne.

TACKLES — Richard Sullivan, senior, 210, Rockdale; J. Don Watson, senior, 206, Caldwell.

GUARDS — Tommy Lund, senior, 170, Hearne; Jimmy Swan -

son, senior, 195, Navasota.

CENTER — Jimmy Mateck, senior, 190, Caldwell.

QUARTERBACK — Dickie Summers, junior, 170, Rockdale.

BACKS — Ronnie Brannon, senior, 150, Rockdale; Amos Doskocil, senior, 160, Cameron; Frank Horak, senior, 165, Caldwell; Ozzie Burke, senior, 152, A & M Consolidated.

DEFENSE
ENDS — Sidney Coufal, senior, 169, A & M Consolidated; Ernie Wayne Lawrence, junior, 165, Rockdale.

TACKLES — Richard Sullivan, senior, 210, Rockdale; Edgar Schutg, junior, 180, Caldwell; Eugene Schattle, senior, 180, Cameron.

GUARD — Jimmy Swanson, senior, 195, Navasota.

LINEBACKERS — L. B. Kubiak, junior, 180, Rockdale; Ronnie Reed, senior, 163, Hearne; Roy Kuchera, senior, 160, Caldwell; J. Don Watson, senior, 206, Caldwell.

BACKS — Jamie Langham, junior, 147, Caldwell; Jim Batson, junior, 140, Hearne.

HONORABLE MENTION
ROCKDALE — Ronney Seelke, senior, 165, end; Jim Killen, senior, 165, guard; George Weems,

senior, 170, guard; Robert Simank, senior, 155, guard; Lester Gibson, senior, 160, back; Mike Sowers, senior, 160, back.

HEARNE — John Mathis, sophomore, 165, guard; Danny Pursley, junior, 170, tackle; Terry Collie, senior, 155, end; Larry Coe, senior, 165, back; Craig Hawthorne, senior, 170, tackle; Terry Calhoun, senior, 173, end; James Crowder, senior, 155, quarterback; Tim Batson, junior, 140, back.

CALDWELL — David Zgabay, senior, 160, guard; Richie Plemper, junior, 152, guard; Larry Lina, junior, 165, back; Leonard Howry, senior, 155, end; and Murphy Davis, junior, 180, back; Charles Duback, sophomore, 170, back; Daniel Harris, senior, 160, quarterback.

A & M CONSOLIDATED — David Parsons, sophomore, 170, tackle; Tommy Hughes, senior, 190, guard; Jim Carroll, senior, 155, back; Walter Varvel, sophomore, 150, back; J. W. Parsons, senior, 188, tackle; Frank Littrest, junior, 168, back; Robert Chenault, senior, 170, tackle; Jim McAfee, senior, 148, back.

NAVASOTA — Mike Mason, junior, 155, quarterback.

YOEMEN BASKETBALL STATISTICS

For The First Ten Games

	Shots Attempted	Shots Made	Free Throws Attempted	Free Throws Made	Fouls	Points
Merlin Lester	103	32	42	14	20	78
Ronnie McWilliams	82	28	32	10	32	65
Laurence Laffere	101	24	35	23	21	71
Dennis Jones	61	23	13	7	22	53
Dicky Ponedr	24	10	12	7	15	27
Billy Davenport	28	13	16	12	25	38
Mack McKinney	18	6	0	0	4	12
Larry Manley	5	0	1	1	2	1
Newton Burnett	0	0	5	1	0	1
TEAM TOTAL	422	136	156	75	141	346

The Yoemen have made 32 percent of their shots from the floor and 41 percent from the free-throw line. Davenport is top man percentage wise as he has a 43 percent on field goals and 75 per cent on free shots. Close behind him is Dickie Ponder with 42 per cent on field goals. The Yoemen have won four games while losing six. They have wins over McGregor, Granger, and Rogers twice. The opponents have scored 347 to the Yoemen's 346.

An excellent way to achieve a state championship team was shown in the playoffs last Saturday as Jacksboro won the record breaking game against Rockdale.

When Coach Chuck Curtis, former TCU great, came to Jacksboro in 1959 the team had just completed a 9-10 season. The athletic system was in bad shape. The young coach stepped in and devoted almost all his time to the freshmen and sophomores the first year.

Then he finished the season with a 2-3 record. But it was a fine building year and he stayed with the teams and they stayed with him.

In 1960 he lost only one game for

a 9-1 season and his work had started to pay off.

Then in 1961 the freshmen and sophomores were his juniors and seniors. They had learned all their football under one coach and knew what was expected of the team. And they did a good job as they won the quarterfinals.

As 1962 rolled around the training paid off and they won the tough north AA division and what they did to Rockdale is history.

This is the type of program that Cameron must have. In the last six years the Yoemen have had four head coaches.

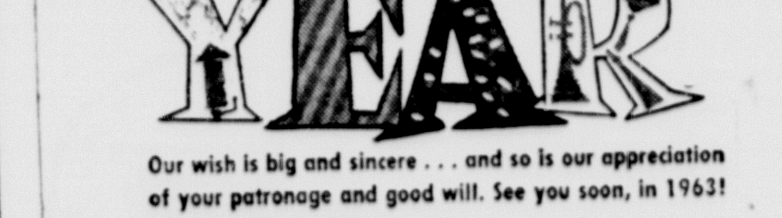

A true story told by Coach C. T. Everett at the football banquet best sums it up. After showing tackle Eugene Schattle how to make a certain move several times he noticed that he still was doing it wrong. He called him over.

Now Schattle had played under many coaches and methods that he had adapted his own style. The coach asked him, "Eugene, don't you understand what I am trying to teach you?"

Schattle came back, "Yes sir, but I don't agree with you!"

Cape Horn is at the foot of South America.

Popocatepetl is a volcanic mountain in Mexico.

Our wish is big and sincere . . . and so is our appreciation of your patronage and good will. See you soon, in 1963!

This statement shows in detail as far as possible the financial status of the City Government of the City of Cameron, at the close of business on Sept. 30th, 1962. I have in most cases shown all receipts and disbursements separately, particularly the major items. In some instances I have condensed smaller transactions in order to save space.

If any of the figures in this statement are not clear I shall be very happy to explain in detail.

J. C. ANDRES, City Secretary

Herald Editorial Page

1963... Year To Move Ahead

Cameron and Milam County, it would seem, hold a good position to move ahead in 1963, considering some of the developments of the past year.

Prospects for an improving road system and increased traffic from Houston to Waco are a certainty, considering the announcements coming from the State Highway Department this fall.

Improvements and construction continue along the US 77 area through Cameron and other construction is forthcoming in the downtown area.

Agriculture, according to observers here, continues to be in a state of transition with emphasis on increased use of fertilizers, more dairy production and further modernization of crops.

Mr. Babson's 1963 forecast recommends optimism as an important virtue toward continued prosperity in any community not having the boom - town factors of defense industry.

But Cameron is in a much sturdier position for optimism than a year ago. The Milam guard unit is home; building of homes and business property is ahead of January, 1962; Christmas business closed out at an enthusiastic rate.

Alcoa foresees a "period of solid demand" for aluminum in 1963, this certainly a factor in Milam's prospects for the new year. The Company's outlook was more sharply optimistic at this time a year ago, but excess capacity this year apparently gives cause for a moderate 1963 tone.

We are optimistic. Many things point to another good year for the Central Texas area, Milam County amidst 'em.

It makes wishing everyone a Happy New Year a pleasure, knowing that the strength of Milam County is in the experience and perseverance of her leaders and the determination and willingness of her people.

Jones Prairie — Freeport Guests Visit Relatives

Mr. and Mrs. S. T. Burnett and children of Freeport visited his mother Mrs. A. L. Burnett and sister and family Mr. and Mrs. Harry White this weekend.

Mr. and Mrs. James Fontaine of Austin were holiday guests of his parents, Mr. and Mrs. R. K. Fontaine.

Mr. and Mrs. J. D. Black and son Dennis of Ft. Lavaca were weekend guests of his parents, Mr. and Mrs. J. D. Black.

Miss Ethel and Mrs. Nora McKinney were Christmas Day dinner guests of their niece and family, Mr. and Mrs. L. D. Hammack of Taylor.

Mr. and Mrs. George Burnett of Clute and Roy Burnett of Freeport were holiday guests of their mother Mrs. A. L. Burnett and sister White.

Mrs. R. K. Fontaine was a Christmas Day guest of her sister and family Mr. and Mrs. Henry Garrett in Bryan.

Mr. and Mrs. Bradley Fuller and children of Dallas were weekend guests of her parents Mr. and Mrs. J. A. Pond. Their son Bob Pond of Ridder, La. was a Christmas Day guest also.

Mrs. Johnson had previously been agent here before moving to Austin. She and her husband are returning to Cameron and she is assuming her vacated position.

Sadler To Ask For Extension

By Vern Sanford

AUSTIN — Jerry Sadler, Commissioner of the General Land Office, says that he will recommend to the 1963 Legislature that it extend the Texas Veterans' Land Program.

"Only 29,000 out of the 1,000,000 qualified veterans of Texas have purchased land under the program and I am receiving over 600 letters each week from veterans who wish to participate," Sadler stated.

Funds currently on hand will not be sufficient to satisfy the demand if the present rate continues, he added.

Veterans' Land program has proven to be a worthwhile experiment in rewarding Texas servicemen and women for their valorous defense of American FREEDOM. It has not been a "give away" but has been paid for, without cost to the taxpayer, by those directly benefiting from it.

Veterans' Land program has proven to be a worthwhile experiment in rewarding Texas servicemen and women for their valorous defense of American FREEDOM. It has not been a "give away" but has been paid for, without cost to the taxpayer, by those directly benefiting from it.

Basic fairness and simple justice require a continuation of the program," Sadler concluded.

Right of 34 local public junior college districts to levy ad valorem taxes was upheld by the Texas Supreme Court.

A majority of the justices failed to find anything in the State Constitution prohibiting the privilege.

Constitutionality of the creation of public junior college districts and their right to a district property tax was questioned by seven property owners in the San Jacinto Junior College district.

With the Supreme Court's decision, the school now can proceed with a \$2,500,000 building program. Several other junior colleges - including those at Hillsboro, Athens, Wharton and Cisco - very likely also will begin to build.

Court's decision was countered with a dissenting opinion written by Chief Justice Robert W. Calvert. He called the tax unconstitutional.

Those who backed its validity admitted that the 1929 constitutional amendment for public junior colleges was a patchwork thing. In fact, they stated that all public school laws in Texas are "confused, vague and conflicting."

THE OLD PHILOSOPHER

Philosopher Takes Stock Of Past Year But Admits He's Not Sure What Happened

Dear editor:

I've learned a long time ago you don't get very far trying to solve the beginning of a new one. I know people are supposed to review the past twelve months and estimate what's going to happen in the next twelve, but there are a couple of things wrong with this.

In the first place, nobody knows what's going to happen in the next twelve months and in the second place, very few know what happened the last twelve. It takes a Supreme Court to tell what Congress did, and it takes a later Supreme Court to tell what an earlier one meant.

The world had all sorts of crises this past year, but it's impossible to tell now which ones we solved and which ones just went away or got lost while we moved on the different ones.

Out here on this Johnson grass farm, the way I handle a crisis is to look the other way. If this doesn't work, I look straight at it, but

Brotherhoods have urged the Legislature to pass this bill before. But it always died in one house or the other.

Board Chairman Billy Cowan said his group has been worried about truck - train accidents for a long time. Three trainmen were killed last month in one such collision at Chandler. One died in a collision with a gasoline truck at Sinton in 1957; three were burned to death by flaming gasoline at Pittsburg in 1954.

Screwworm Program

Barrier Extended

MISSION — Officials of the Southwest Screwworm Eradication Program have announced that the artificial barrier of sterile screwworm flies along the international border in Mexico has been extended from Laredo to above Del Rio. A 25 - mile - wide strip from Brownsville to Laredo has been seeded with sterile flies since early last month.

The barrier zone, which is eventually expected to extend from Brownsville to the New Mexico - Arizona state line, is designed to prevent the migration of active screwworm flies from Mexico into the Southwest. A weekly average of 600 sterile flies per square mile is being dispersed in the 13,000 square mile barrier at the present time.

The recent freezing temperatures made many people uncomfortable, but officials have stated that weather of this nature will do much toward wiping out native screwworm fly populations and thereby make eradication through fly release earlier. During the week of December 9 - 15 only 311 screwworm specimens were submitted to Mission for identification and 525 additional cases without samples were reported. During the same week, 64,290,650 sterile flies were dispersed in the Southwest.

FARM SAFETY

The Texas Farm and Ranch Safety Council has this suggestion for all rural residents - "Make safety your number one resolution for 1963 so you'll be around to enjoy New Year on January 1, 1964."

New Efforts For Pension Program

An effort to increase and expand the pension program for veterans of the First World War is the major objective of the Veterans of World War I, Inc., when the new Congress convenes January 7.

Edward J. Neron, of San Diego of the Veterans of World War I, urges all eligible veterans to contact the National Headquarters of the VWWI, at 40 G. Street, N. E. Washington 2, D. C., in order to be informed on just what plans are being made for the proposals which will be presented to the new Congress. Neron asks that all men who served in 1917 and 1918 forward their names, addresses and serial numbers to the headquarters and in return they will be supplied with complete and specific information concerning the legislative program of the Veterans of World War I.

The latter organization is a comparatively new veterans group but on December 31 had enrolled over 225,000 members. It was given a Congressional Charter by the Congress in 1958 and now ranks as the third largest veterans organization in the country.

Freemasonry was introduced into the American Colonies before 1730.

May the New Year hold for you all... good health, good times and good fortune. I look forward to serving you this coming year!

SPECIAL DELIVERY

Gift from God

How shall they be lived? Each individual will answer for himself—according to his concept of the meaning and purpose of life.

So, some will live these days in idleness; some amid frivolities; some in frenzied pursuit of bursting baubles of fame and fortune.

Others—more wise and more humble—will remember that each day is a part of the sacred trust of life to be lived for the glory of God. Nor will they forget that every day brings every man nearer the "Day of days" when all men shall give account of life—all the days of life—to God, the Giver of life.

All who are the recipients of this gift of a New Year need the purpose of divine will, the energy of divine strength, the wisdom of divine guidance. These are available to all.

Therefore, begin the New Year right and keep it right by keeping the Giver of "every good endowment and every perfect gift" in your daily thought and action.

The Bible is your guide; the church is your fellowship. Follow the guide and share the fellowship for the most fruitful and the most joyful year of your experience.

Aluminum Output

Slips 3 Per Cent

From Record High

Production of primary aluminum in the United States in November totaled 179,679 short tons, the Aluminum Association reported to

Card Of Thanks —

We would like to express our sincerest thanks and appreciation to all our friends and neighbors who were so kind at the death of our mother, Mrs. G. W. Simmons, especially the staff and nurses, doctors of the Newton Hospital. Also the Battetown Baptist and Trinity Baptist Churches for all the wonderful kindness they have shown us. Our deepest appreciation. The family of Mrs. G. W. Simmons

day.

This represents a decrease of 5,512 tons, or 3 per cent, from the 185,191 tons of the all - time record month of October, 1962, and an increase of 15,554 tons, or 9.5 per cent, over the 164,125 tons produced in November last year.

Production of the versatile metal during the first eleven months of this year amounted to 1,935,505 tons, an increase of 199,784 tons, or 11.5 per cent, over the corresponding period in 1961 when 1,735,721 tons were produced the association said.

The seven U. S. producing companies are Aluminum Company of America, Anaconda Aluminum Company, Harvey Aluminum (Incorporated), Kaiser Aluminum and Chemical Corp., Olin Mathieson Chemical Corp., Revere Copper and Brass, Inc., and Reynolds Metals Company. Olin and Revere produce primary aluminum through a jointly - owned subsidiary, Ormet Corporation.

Aliens Are To

Report Address

J. W. Holland of the Immigration and Naturalization Service stated that aliens in the United States will be required to report their address to the Attorney General within the near future.

All aliens, with few exceptions, who are in the United States on January 1 each year must report their addresses by the end of that month. Only the following classes of aliens are excused from this requirement: (1) Accredited Diplomats; (2) Persons accredited to certain international organizations; and (3) Those admitted temporarily as agricultural laborers.

Forms with which to make the report can be obtained from any Post Office or Immigration Office during the month of January.
